

COLLEGE APPLICATION CHECKLIST

Scholarships and financial aid cut the price at Michigan's public universities by an average of 40%.

Why Apply?

Earning a degree from one of **Michigan's 15 public universities** isn't only about making more money. Research shows that those with higher levels of education beyond high school also enjoy much greater career and life satisfaction, lead healthier lives, and are more involved in their communities. So, apply today because a degree can make the difference. **Go Beyond!**
